MAeCO'
GIN
PORT CASK AGED

MA and CO' means MAre (Sea) and COllina (Hill). It is Sibona's Italian Premium Aged Gin, also enriched with botanicals from Piedmont (Hill) and Liguria (Sea), including for Piedmont: juniper berries, lavender from Sale San Giovanni, sage, rosemary, damascena rose, Nebbiolo vine leaves, and for Liguria: lemon, thyme, Pernambucco orange, basilico genovese d.o.p. (genovese basil).

This gin thus celebrates the meeting of the hills and the sea.

Distilled with Eva natural water which gush out from the highest spring in Europe at 2,042 meters (6.700 ft).

After a period of time in steel tanks, it ages in Port Casks from which it acquires its elegant and soft notes and characteristic aftertaste.

Special and elegant graduated Sibona bottle with notches down the side, to indicate the content, and a pouring spout.
Alcohol Content: 44% vol.

SEA
Liguria

Lemon

Thyme

Pernambucco orange

Genovese basil d.o.p.

HILL
Piedmont

Ginepro

Lavender from Sale San Giovanni
